Luxury Experience

Veschetti is an Italian historical trademark and a point of reference for luxury jewelry since 1949.

Much has been done ever since, which led to the expansion of its clientele over the years, not only in Italy but worldwide.

Each piece is authentic and unique, perfect expression of the most sophisticated “Made in Italy” handcraft tradition.

Unique pieces realized starting from a meticulous research of gemstones up to a careful craftsmanship entrusted to the most experienced goldsmiths.
